

How does CHRIS 180 help families?

"The staff at CHRIS 180 have gone above and beyond and have been an anchor of support for my family. With their help, I have furniture in my home and financial assistance for my child's activities. The staff has left no stone unturned to gather any information or resources I needed. This is a great team doing fantastic things."

- Nikita, CHRIS 180 client and mom

At CHRIS 180, we believe that everyone who seeks help is deserving of support.

That's why we provide parents, caregivers and children with trauma-informed counseling, school-based mental health resources and wraparound care to help families change directions and change their lives.

Will you help? Your tax-deductible donation will directly support our work – this holiday season, and beyond.

Your gift will make a real impact on families in our community. Last year, CHRIS 180 served and trained over 20,000 children, families and caregivers.

Thank you for helping us create new beginnings and brighter futures.
