

## Make Your Gift by Midnight!

With your help, CHRIS 180's trauma-informed therapists work with children, caregivers and families to address generational challenges and support the entire family system.

Together, we are healing families.

Your year-end donation helps CHRIS 180 provide critical services in our communities including trauma-informed therapy, family counseling, school-based mental health services, programs for children & teens, substance use support & recovery, adoption & foster care and so much more.

**Your gift makes all our work possible. Can we count on your support?**
