We've Got a Spring in our Step!

Dear Friends,

Happy spring from the Avalon team!

We have to admit: spring is our favorite season. April marked the opening of farmers markets with fresh produce as far as the eye can see, a reappearance of outdoor events, and bright colors all around. And May brings longer days, the end of the school year, and the sweet spot of berry-picking season!

This time of year, you can catch us in the kitchen creating menus full of farm-to-table local ingredients, tapping into fresh creative ideas, and bringing new trendy touches to all types of gatherings!

With a spring in our step (pun intended), we look forward to making all your celebrations delicious, decadent, and delightful this season.

We are ecstatic to be part of all your upcoming events,

Cathy Conway
Founder & President
