

## BACK to SCHOOL

**School is officially in session - but it's not too late to prepare our youth for success this school year!**

As our students get back into the routine of homework, pop quizzes, and papers, it's important that they have the tools and support they need to excel.

### Here's how you can help our youth on their academic journeys:

- \$1,000** provides a laptop to equip a young person for success
- \$500** funds 1 month of individualized case management support
- \$250** covers the cost of a youth's school books for one semester
- \$100** supplies two weeks' worth of healthy meals & study snacks
- \$50** fills a backpack for one youth with essential school supplies
- \$25** provides 7-day MARTA pass to help young people get to school

### Meet CHGA Alumnus: Dontavious

When Dontavious arrived at Covenant House Georgia, he had been through a lot. His childhood was filled with abuse and trauma. After receiving support from our community, Dontavious is now on a road toward a more hopeful future.

*"CHGA helped me to figure out what I was most passionate about and connected me to programs that have helped me take the steps in the right direction to make my dreams come true." - Dontavious*

To help Dontavious process his past trauma, he has worked one-on-one with a behavioral health therapist at Covenant House Georgia. He's also attended group therapy sessions with his peers at CHGA.

*"When Covenant House came into my life I began to feel what it meant to be my own self. Daily I meditate and push myself to hit my goals. I'm working on overcoming problems in life..."*

*- Dontavious*

Recently, Dontavious was accepted into Atlanta Technical College! He has successfully transitioned from CHGA into off-campus housing. This semester, Dontavious is working simultaneously on his GED and college courses while pursuing his dreams in music production.

**Help our young people build the confidence, success, and stability that youth like Dontavious are creating in their lives!**

Please support our Back-to-School Campaign to prepare our youth for the school year, and the years to come.
