BACK to SCHOOL

Dear Friends,

As the back-to-school season draws near, the youth at Covenant House Georgia are excitedly preparing for the year ahead! With your help, we'll equip our young people with the tools and support they need to succeed - in school and in life.

After all, it can be daunting enough to begin college, to return to school for a GED, or even to shift back into learning mode after summer break. These transitions are made all the more challenging when young people experience homelessness.

At Covenant House Georgia, youth find a safe and stable environment to pursue their studies. Thanks to friends like you, our youth have access to academic resources, case management, physical and mental health services, life skills classes, nutritious hot meals, supportive mentors and friends, and so much more...**but we can't have a successful back-to-school season without your help!**

Support our youth on their academic journeys:

- \$1,000 provides a laptop to equip a young person for success
- \$500 funds 1 month of individualized case management support
- \$250 covers the cost of a youth's school books for one semester
- \$100 supplies two weeks' worth of healthy meals & study snacks
- \$50 fills a backpack for one youth with essential school supplies
- \$25 provides 7-day MARTA pass to help young people get to school

Make Your Back-to-School Gift Today!

Over the next few weeks, you'll learn about some of the exceptional young people at Covenant House Georgia as we share their experiences in and out of the classroom.

We hope you'll follow along with us, here and on social media, as we hear from three CHGA youth: Malik, Dontavious, and Devon.

In the meantime, **thank you for taking the time and action to help prepare our young people for success!**

Sincerely,

Dr. Aliezoria Redd
Chief Executive Officer
