

Mother's Day is in just a few days, on Sunday, May 8! This year, give mom a gift that gives back.

When you support [Covenant House Georgia's Mother's Day campaign](#), you'll help young moms like Leila (pictured above, with son Kaidyn) move from homelessness to hope.

Give in honor or in memory of a special mother figure in your life, and download a printable keepsake card to share your gift.

This Mother's Day, spread some love with your family as well as our Covenant House Georgia family! This meaningful gesture is perfect for the mom who says she doesn't need anything. It's also a wonderful way to show mom how she instilled her caring outlook on life into you. Above all, you'll help moms like Leila pursue their dreams while caring for their little ones.
