Meet Malik: a warm, creative 19-year-old who resides in our Rights of Passage transitional living program. Like many teenagers, Malik is going back to high school this fall.

“I’ve been on an ongoing journey to find stability. Covenant House Georgia has made my journey way less hard than it would be if I didn’t have any support. This part of my life has been challenging, and I feel super confident with the help of the staff here.”

- Malik

Together, [we’ll make sure](#) that Malik - and all our bright students at Covenant House Georgia - have everything they need to succeed in school this year!

Support the Back-to-School Campaign

When Malik came to CHGA’s Garcia Center shelter last spring, he was going through a difficult time. Family conflict and hardship led him to experience homelessness. As he navigated his family situation, Malik found it challenging to get to and from school each day - and without a stable living environment, he struggled to stay focused in class.

At Covenant House Georgia, Malik found a supportive, stable environment where he could pursue his studies and move forward in life.

“Covenant House Georgia assisted me with transportation...[my case manager, Mr. Jumbo and I] worked on ways that I can stay on topic. The staff have really supported me with overcoming major obstacles with schooling” -Malik

Now, Malik is hopeful about his future. After high school, he plans to attend college and create “a normal life” for himself. Malik’s dreams include home ownership, a stable job that he enjoys, and a loving family.

Around campus, you’ll often find Malik studying, doing sit-ups and lifting weights in the gym, drawing in the art studio, watching Marvel superhero movies, playing video games and relaxing with friends.

With your support, we can empower young people like Malik to pursue their goals and talents while building their visions of a successful future.

Can we count on you to help?

Yes, count me in!

Thank you!
