

Over the last few weeks, caring people like you came together to help young moms through [our Mother's Day Campaign](#).

Together, our Covenant House Georgia community raised more than \$38,800 in support of our Pregnant & Parenting Youth Program.

Thank You!

Your generosity helps young parents like Leila (pictured above) find stability, so they can focus on building their family's future. On that note - we're excited to share that Leila recently achieved her goal of passing her GED exam!

Thanks to friends like you, moms like Leila can come to CHGA to find a safe place to stay, job readiness and education programs, physical and mental health support, life skills classes, and so much more.

There's Still Time to Support the Young Moms at CHGA!

Did you miss our Mother's Day campaign? If you feel moved to support this program, it's not too late to make your gift!

Each year, around 30% of the young women Covenant House Georgia serves in our residential program are either pregnant or have a child who is not in their care due to the lack of housing options available to them.

Your [tax-deductible gift](#) supports CHGA's ability to provide these young women and families the support they need to move forward in life. Thank you!
